

EXEMPTS 24 IN 160 ON DRAFT APPEALS

District Board Here Sets a Rapid Pace to Clear Up 20,000 Claims.

CURIOUS PLEAS OFFEED

Alfred Hueller's "Dependent" Father Paid Him \$5,000 a Year Salary.

Any lingering doubt as to the intentions of the district board to handle all next appeals in a very decisive manner...

Following a morning session at which forty-eight cases had been considered and seven exemptions voted...

The procedure followed in handling the cases in this rapid fire order was for the clerk to read the applicant's name, draft and serial number...

Probably there are altogether 20,000 claims that will have to be weighed by the district board...

Reports from twenty-four boards on yesterday's or hitherto unrecorded work are summarized as follows:

Qualified, 1,166, or 57 per cent. Qualified and apparently accepted, 440, or 37 per cent.

Summary for all work reported by the boards to date:

Examined, 93,268, or 69 per cent. Qualified and apparently accepted, 26,250, or 28 per cent.

Yesterday's sessions brought out the usual run of slicker marriage claims—promptly and emphatically denied—and the ordinary case and more humorous and impossible appeals on every kind and imaginable excuse.

Alfred Hueller appealed from the decision of Local Board 144 on the ground of a dependent father. This "dependent" father, the committee's investigation showed, was the chief owner of a concern that paid the young man a salary.

Really legitimate and conclusive claims for exemption either on the grounds of dependents or for industrial reasons brought favorable decisions. Some could spend only short hours in the board room and not go away fully convinced that the work was done with the utmost accuracy and intelligence and absolute fairness.

Plans for a National Army day, which is to be the day for the men called for service under the selective draft, were tentatively adopted yesterday afternoon at a meeting in City Hall.
